OMAYA 50+

Cosy

The boat has a tasteful interior and is cosily decorated with furniture we have produced for you.

The OMAVA is not only made for luxury. She is also made for the sea and brings you back home safe, wherever your home is.

The OMAVA is a cosy and at the same time luxurious and practical boat that can move smoothly across all seas.

Practical and luxurious

It feels like home. It has space like a home.

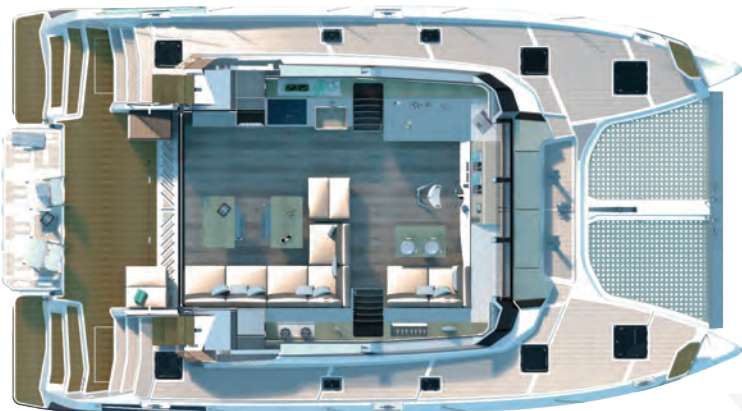

The boat offers sleeping space for 10 people but you can always accommodate 12 people when you convert the seats into beds.

All cabins and common spaces are equipped with the latest appliances to ensure you feel comfortable in your private area and give you the sense of your own house but on the other side of the shore.
